Shanvi Group
(India & Enterprises)

2026

Company Profile

Vision

Our vision is **to be a leading consulting firm operating in India**. Our success is measured by the value we deliverto clients, the quality of the staff we employ, and our strength and spirit as a firm. We nurture our core values, and they shape the culture of our business and define the character of Shanvi Enterprises.

EXECUTIVE SUMMARY

We have approx. 15 years of expertise in Engineering & Business Consultancy, BID Management, Client Management, Risk& Project Management, Vendor & Distributor Management, Correspondence Management, New Product Development& Approval from all the respective agencies (RDSO, PESO, CPRI, NABL, IEEE, CPWD).

Our resources are a combination of professionals in different fields with different experiences.

Our planning involves identifying all the requires steps to build a structure, splitting them into defined activities.

Shanvi Enterprises specialized in services relating to themanagement, engineering and acceptance of complex program and technology. Ourstrength derives from the proven track record and the competency of our resources. Our certification process enables manufacturers and Clients to provide a visible and powerful demonstration of their commitment to safety andassurance in the Railway, PSU, EPC & PMC industries while at the same time being cost- effective.

Problem Statement

Fighting and surviving is the most difficult part of the hustle. Shanvi Enterprise assists you in eliminating your competition and appearing as the client's TOP-MOST priority. We help you enhance your business with a comprehensive and 360-degree approach.

Stagnation is the most common problem in the manufacturing industry. Some manufacturing industries are not able to expand on a large scale due to marketing problems or operational gaps. But our qualified team will bring a new flow of expansion and clients to your business in just 2 MONTHS!

Skilled manpower is the basic and crucial problem of many businesses. We have seen that enterprise always struggles to find the best-qualified manpower that will provide them with product returns. Unqualified manpower means not the optimum use of resources, losing clients to your competitors, negative returns, and wastage of resources. With the expertise of 15 years, weare recruiting qualified manpower for the capital-intensive industries.

We help you to focus on a target client, manpower attrition, losing business due to less manpower, and educating about running a market business.

Why Shanvi?

Shanvi Enterprises ensures that every monetary value is returned to their customers in the mostprofitable way possible. We use a comprehensive approach that helps our customers work diligently and efficiently with the optimum use of resources.

We combine our experience and knowledge to develop **GREAT IDEAS** that enhance your sales and profit margins. We have a PAN-INDIA approach that enables us to focus on every requirement. Due to brilliant and specialized SOURCING, we are able to reach parts of India with comprehensive networking and bring new projects for our clients that open the new gateways of PROSPERITY &DEVELOPMENT.

JOIN US TO BE UNBEATABLE, UNSTOPPABLE & INVINCIBLE!

To Whomsoever It May concern

On behalf of our organization, I would like to extend my heartfelt appreciation to you for the excellent work you have done as our consultant. Your continuous support, valuable guidance, and professional approach have played a crucial role in helping us successfully achieve our (RDSO) Bridge & Structure approval within the given time frame.

M/s Sanvi Group has truly demonstrated dedication, commitment, and expertise in handling this project.

The timely delivery of each stage and your proactive efforts reflect your professionalism and strong focus on client satisfaction. Once again, I sincerely thank M/s Sanvi for their outstanding contribution and dedicated work.

We look forward to continuing this strong association in the future as well.

Your Sincerely

Mogli Labs India Pvt Ltd.
